A message from the **Commission Chairman**

Welcome to the wonderful world of Recreation. In this issue you will find a kaleidoscope of classes and events to enrich your quality of life. The Recreation Division staff spends many hours and takes great pride in the ability to offer this variety for your pleasure. Please take time to look through this issue to find something of interest to you and your family.

The Parks and Recreation Commission will continue with the Landscape and Beautification Award intended to recognize residential homes or businesses that have made Costa Mesa a more beautiful place to live. Nomination forms are located at City Hall Recreation and Public Services Department offices, Community Centers and on the City website <http://www.Costamesaca.gov/CMRecreation.htm>. Chosen nominees will be recognized at a Park and Recreation Commission meeting and awarded a sign that they can display. If you or any of your neighbors have a landscaped home or area that qualify please contact the Recreation Division at 714-754-5300.

This year, Park Commissioners will continue the park tour program that has commission members going out bi-monthly into our parks and spending time with residents looking for ways to improve on parks and services to the public. Please look for upcoming dates and times on the city website.

I want to thank City staff and my fellow Park Commissioners, Vice Chair Dean Abernathy, Ethan Temianka and Dan Vozenilek for all their hard work and dedication to making Costa Mesa a great place to live and be proud of. We welcome any questions, comments or suggestions. Please feel free to contact us at parkcommission@costamesaca.gov or call 714-754-5300. We also invite you to attend the Parks and Recreation Commission meetings held on the 4th Wednesday of every other month in the City Council Chambers at City Hall. For scheduled dates and times refer to the city website www.costamesaca.gov.

Thank you, and enjoy all that Costa Mesa has to offer.
